I want more than a hookup...

I work hard, it's what I do. But going away on trips like this can make a guy lonely. Luckily, getting a girl into bed isn't a challenge for me. And when I saw her, I was sure she'd be like all the others.

I took her rough.

Raw.

Wild.

I screwed her so hard I think the whole hotel heard us.

Finding a willing one night stand is easy; it's shaking the girl off the next morning that's tough.

So when she nearly slips out the door without waking me up to say goodbye, I'm stunned. A beautiful woman who's independent enough to not cling to me? That's rare.

Now I can't stop thinking about her.

I'm aching for multiple months in bed with this woman but I've only got a few days before my trip is over. What if that's not enough to satiate my hunger?

Before I leave this city, I'm going to make her mine.

I want more than just a hookup.

And I'm going to get it.
