A brand new smoldering romance book from New York Times Bestseller JS Cooper

How Do You Know When Youâ€™ve Found True Love?

Janie Ryan has always dreamed of meeting her Prince Charming. The one guy that will sweep her off of her feet and carry her away into the sunset. All she wants is the fairytale love and sheâ€™s willing to change everything in her life to find and be with the one. Even if that means doing the unthinkable.

He was a Knight in shining armor according to himself

Nate Lexington is bossy, charming, handsome, and quite possibly the most annoying man Iâ€™ve ever met in my life. Heâ€™s also my best friend. He treats me like his little sister and if he could run my life he would. Only I donâ€™t let him. Much to his chagrin. Nate thinks I live my life with my head in the clouds and all he does is groan when I tell him about my quest for true love.

He was the devil in disguise according to Nate

Dylan Mason is the sexiest man Iâ€™ve ever met in my life. I met and fell for him in a weekend. He swept me off of my feet and my heart became his in an instant. He was a charmer, a rogue, a devious manipulator. I didn't care. He was the one Iâ€™d been waiting my whole life to meet. He was Mr. Perfection himself.
